

“CHASING THE SUN GOLF TOURNAMENT”

Chasing the Sun Golf Tournament has established itself as a brilliant Australian golfing outback experience. From the very first sip of champagne and toasting the Sunrise on Saturday morning in Ceduna, through to your champagne toast to the setting Sun in Kalgoorlie Boulder. “This is a memorable journey” The tournament starts at the Ceduna golf club on Saturday 6th April and concludes at the magnificent Kalgoorlie Golf course on Sunday 13th April 2024.

The golfing adventure takes you on a drive to Australia’s famous oyster beds in Ceduna. Then to the wheat and sheep farming districts of Penong, Nundroo and the wonderful farm stay at Coorabie farm. You venture past the whales and the beautiful coast line at Nullarbor to arrive at the beaches of Eucla to meet the Pirate and claim your treasure. Clutching your gold, you move on to the remains of Skylab at Balladonia, the memorable indigenous art and dance of the Ngadjju people in Norseman. The next morning you drive to nickel mining and land sailing at Kambalda, and finally to Australia’s gold capital, Kalgoorlie Boulder.

In April 2019, we staged our most successful “Chasing the Sun tournament” in ten years. We had a record field of 71 participants line up at the Ceduna Golf Club to take on this challenge of a great Australian journey across the Nullarbor. They loved every moment of the tournament, finally arriving in Kalgoorlie Boulder to complete the best ever “Chasing the Sun Golf tournament”. 2023 saw “Chasing the Sun” remerge from the Covid slump. The tournament was a success and was enjoyed by all the golfers who attended.

The words of famous West Australia sports author, John Terrell sum up the 2019 tournament perfectly: *“I have just finished one of the most incredible experiences of my life. Journalists (like myself) and others are often guilty of misusing the word, unique. But I think that the Nullarbor Links “Chasing the Sun” golf tournament accurately befits that description”*
